Re: Appellate No. 05-18-00567-CV, Darlene C. Amrhein v. Attorney Lennie F. Bollinger, et al (Trial Court Cause No. 006-02654-2017)

Dear Ms. Lisa Matz,

Attached please find May 15, 2018 request for all Court Reporter Transcripts, a second request for transcripts & series of emails to & from Jennifer K. Corley:

- 1) Jennifer Conley, Court Reporter County Court at Law # 6, so no reason for lack of record & or no responses for over 3 1/2 months from her by emails never done with questions or comments or demands until a few days ago; (Ex. A, B)
- 2) If Jennifer Conley had no valid request notice for Reporter transcripts then why would she file a contest to indigence on July 30, 2018 at 1:15 PM., which is after May 14, 2018 dismissal with prejudice & Notice of Appeal May 16, 2018; (Ex. B)
- 3) Jennifer K. Conley makes demands for money arrangements knowing Collin County Courts have evaluated my indigence status & "approved it" with pages of indigence facts & details for Collin County Courts, on Texas forms, since Oct. 26, 2017 & as filed with Court of Appeals, so her demands invalid & set up; (Ex B-D)
- 4) Jennifer K. Conley knows Appellant Balistreri-Amrhein is unable to go to any hearings due to physical disabilities, serious medical conditions requiring 4 serious surgeries, while under several doctors' care, so she knows a hearing not necessary or unavailable to cause more delays to this Appeal done timely & retaliation denial 5) Appellant / Plaintiff same indigence status & detail was before Court of Appeals & approved for this Appeal as financially there is no

improvements with 3 new bill collections as filed since July, 2018 & \$150,000 over taxation; (Ex. E)

6) Appellant clearly stated all hearing transcripts & received a false claim of numerous hearings, excessive pages of documents & continued hearing excessive documentations, with no clue that this case was dismissed with prejudice on May 14, 2018 by emails in last few days; (Ex. A, C, D, E)

7) Jennifer K. Conley then falsely claims “request for August 5, 2018” long after May 14, 2018 dismissal, never done, but requested “April 5, 2018;” (Ex. A, D)

8) This Appeal is about “conspiracy, collusion, exparte communications” between Judge Bender’s illegal acts with his court clerks / personnel, Attorneys & others between state & federal courts to prevent prosecution & favors for his friends;

9) This Court & associates have done all they can to try to prevent this Appeal in violations of Texas Rules of Civil Procedure / Texas Rules of Appellate Procedure, so this is another example to prevent this “April 5, 2018 transcript & Appeal;”

10) A substitute Court Reporter is new information for delays & if true there is no name of this reporter for any prior contact in the court records or by this Court;

11) This is usual for Plaintiff not to be informed about any basic information;

12) This April 5, 2018 hearing was only known as Plaintiff / Appellant as admitted to the hospital for MRI & CT Scans, plus medical care, while Judge Bender & Attorney Phaneuf had knowledge for days before, but continued their exparte communications for this hearing as they knew too incapacitated to attend, so they could sign “false Order with no evidence” as one basis of this Appeal;

13) August 5, 2018 false claim by Court Reporter Corley is “no accident,” along with an unnecessary “indigence hearing” to delay this Appeal & after dismissal;

14) Intent is to get Plaintiff / Appellant to refuse a hearing due to disabilities under ADA I can't attend & have a judge deny "indigence" like they did for lawsuit on over taxation on storm damage condition of my home that is unlivable as refused on Judge Bender demands retaliates with "no jurisdiction;" (\$150,000 for Ex. E)

15) There has been deal-making bribes & connections in this "conspiracy" with various participants within County Court at Law No. 6, other Texas Courts, United States Eastern District Court & Judges' "criminal activity" reported to authorities;

16) Jennifer Corley Sept. 7, 2018 letter was to keep herself out of trouble knowing that priors were copied to Court of Appeals & to prevent Appellant's timely Brief;

17) Court & reporter needed some excuses to affect this Appeal with hopes for delays to affect medical surgeries & prevent Appellant's timely brief in retaliation;

18) Jennifer K. Corley changing information from no response, to emails & claims in letter to Court of Appeals Sept 7, 2018 lacks facts / clarity, excuses to Court;

19) Jennifer K. Corley, CSR Official Court Reporter County Court at Law No. 6
2100 Bloomdale Rd., Ste. 30354, McKinney, Texas 75071 Phone: (972)547-1853
Email: jcorley@collincountytx.gov (Copied to Corley & Cobb law firm)

20) This is a co-ordinate effort within this "conspiracy" as another Attorney tried to use this false Order in another court for "contempt of court charges" that was to Obstruct Justice & commit "Frauds Upon Courts" as they will stop at nothing, which stems from Judge Bender with "no jurisdiction" doing all these harms.

Thank you for taking time to read facts on real communications. (Exhibits A- E)

Also, please see the Contest to Affidavit of Indigency which was filed by me on July 30th of this year in the event any proper request for a Reporter's Record is filed in writing and received by me. Ms. Amrhein,

Due to the fact we have hundreds of cases pending in this court alone, and the fact that there have been multiple settings/hearings in this particular case, I have no idea what the dates are of all of the hearings in this matter. That responsibility falls on the person requesting the record(s) to advise the reporter of which hearings they are requesting and on which dates the hearings occurred.

Once you determine which hearings and which dates you are requesting, I will be happy to look those up and provide you with a cost estimate for same.

Re: Appellate No. 05-18-00567-CV, Darlene C. Amrhein v. Attorney Lennie F. Bollinger, et al
(Trial Court Cause No. 006-02654-2017)

Dear Ms. Matz:

This letter is to advise the Court of the status of the Reporter's Record in the above-referenced cause.

Currently the Reporter's Record is due on September 11th, 2018. Only today did Appellant finally designate the specific hearing date she is requesting. This hearing, which took place on August 5th, 2018, was reported by a Deputy Reporter who was covering my court that day. I have contacted the reporter and am waiting to hear back from her regarding the cost estimate for preparation of the record.

Appellant has also filed in this cause an Affidavit of Indigency, which I am contesting. The hearing on the contest to her Affidavit of Indigency has not yet been scheduled. Regardless of whether Appellant is found to be indigent or not indigent at that hearing, it will not be possible to prepare and file the Reporter's Record by the September 11th due date.

At the appropriate time, I and/or my Deputy Reporter will be requesting an extension of time in order to file the record. At this time, it is unknown how long it will take to, one, make payment arrangements should Appellant be found to not be indigent, and two, how much time it will take to prepare the record. Once the hearing has been conducted and a ruling has been made, I will update this Court once again on the status of the record.

As always, thank you for your attention to this matter. Should you have any questions, please feel free to contact me.

Sincerely,
/s/ Jennifer K. Corley
